INTER-UTILITY OVERHEAD
TRAINING ASSOCIATION

2026 IUOTA Conference

 www.iuota.com

Safety - A Tool For Life:

2026 marks 41 years of the Inter-Utility Overhead Training Association (IUOTA), and we are thrilled to announce that we have partnered with the Municipal Electric Utility Association this year as the Conference's Host Utility!

This conference is your opportunity to:

- **Gain insights** from top-tier speakers.
- **Network** with industry peers and potential partners.
- **Discover** cutting-edge strategies and technologies.
- **Transform** your business for the future.

Conference Highlights

Keynote Speakers

- Jim Stokes: Executive Director, MEUA
- Steve Kopp: VP, AI Job Briefing

Our conference features a stellar lineup of keynote speakers who are shaping the future of business. Learn from their experiences, gain valuable insights, and be inspired to take your business and safety to the next level. Prepare to be captivated by their innovative ideas and proven strategies for success.

Networking Opportunities

- Interactive Presentations
- Networking Lunches
- Evening Receptions
- Industry Roundtables

Connect with like-minded professionals, potential partners, and industry experts. Our conference offers numerous opportunities to establish valuable relationships that can propel your business forward. Engage in thought-provoking discussions, exchange ideas, forge lasting connections, and ask your peers any questions you may have on how they are handling safety.

Exhibition Showcase

- Latest Technologies
- Innovative Products
- Industry Solutions

Explore the latest innovations and solutions in our Vendor Showcase. Discover cutting-edge technologies, groundbreaking products, and innovative services that can transform how you view safety. Engage with exhibitors, learn about their offerings, and find the perfect solutions for your unique needs.
